XIN POINT CORPORATION

Interior Car Door Handles Innentürgriffe

Xin Point Corporation - our base in China

Who we are:

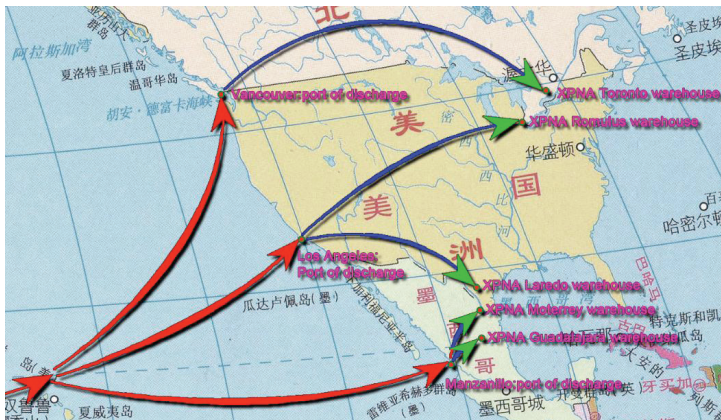

- Established in 2002
- Headquarter in Huizhou, Guangdong, China
- Products - Decorative Components for Car Interior and Exterior
- Key Manufacture Competence – Plastics Electroplating, One Stop Service
- Vision - To be one of Leading Manufacturers in Decorative Components in Automotive Industry.
- Business Philosophy – Safety, Environmental Preservation and Quality!

Wer wir sind:

- Gegründet im Jahr 2002
- Headquarter in Huizhou, Guangdong, China
- Produkte: Dekorparts für Autos, innen und aussen
- Key Know-how: umfassende Chromprozesse aus einer Hand
- Unsere Vision: Industrieleader für Chromteile/Dekorparts der Automobilindustrie
- Unsere Philosophie: Sicherheit, Umweltschutz und Qualität

Xin Point Corporation - worldwide

2 Warehouses Xin Point Europe:

- Venlo, Netherlands
- Budapest, HUG

5 Warehouses Xin Point NA:

- Romulus, MI, US
- Toronto, Canada
- Laredo, TX, US
- Monterrey, Mexico
- Guadalajara, Mexico

Technical capabilities

Automotive Interior

- Air Outlets Deco.
- Cluster Ring
- Console Deco.
- DAB Emblem
- Door Trim
- Door Panel Deco.
- Gear Shifter Deco.
- IP Bezel
- I/S Door Handle
- Steering Wheel Bezel
- Switch Deco.
-

Automotive Exterior

- Door Trim
- Emblem
- E/S Door Handle
- Fog Lamp Ring
- Grilles
- Lamp Bezel/Ring
- Mirror Shell
- Nameplates, Letters
- Wheel Cover Deco.
-

Plating Technology

- Line Design
- Process Development
- PA Nylon Plating
- Micro-Crack
- 2K Components Plating
- Finishes Diversity
- Nickel-free Process
- Test Lines
-

Value added Process

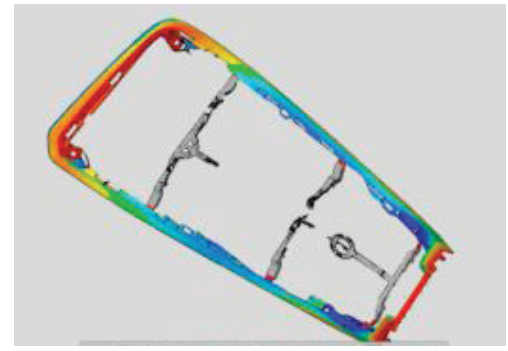

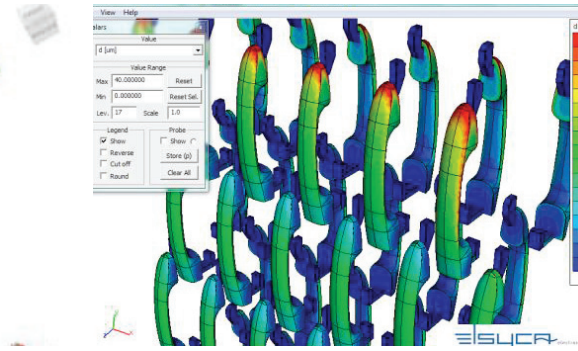

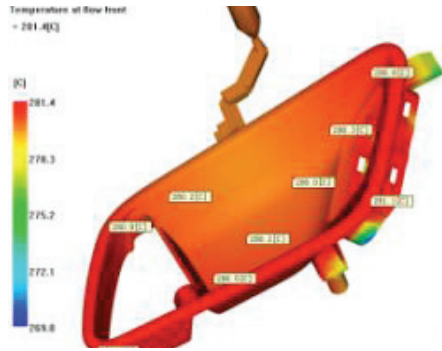

- 2K Components Mold
- 2K Injection
- High Gloss Surface Mold
- In -Mold Decoration
- PVD
- Water based Paint
- Piano Black Paint
- Laser Etch
- Ultrasonic Welding
- Assembly
-

Technical Highlight 1

What we do:

R&D, Design

3D Design, Advanced Software, Pre-design Support, Prototyping

Injection Molding

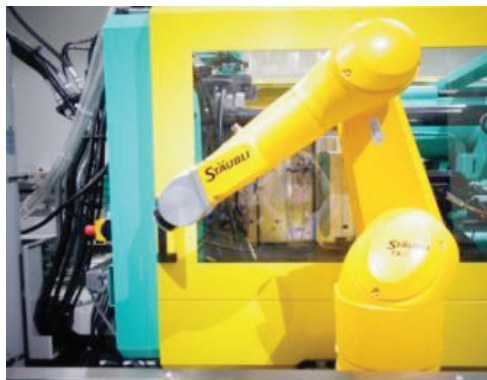

239 Inj. Machines Haitian, DEMAG, 50-700 Tonnage, 2K Injection, 40 machines, 160-360 Tonnage, Double/Over-mold, Auto Robot Arm, Vertical Position 2C Injection-Arburg

Surface Treatment (plating/painting/PVD)

11 Plating Lines, Automatic/Hoist, 7 lines Huizhou, 3 lines Wuxi, 1 lines Tianjin, PA/Nylon Plating, Micro-crack, Rack Design, Max Plating Tank, 4.0x0.7x1.5m, Max Part Size, 3.4x0.25x1.25m, Test/Trial Lines, Advanced Lab, Finishes Diversity, Bright, Satin, Black

Assembly

Assembly Lines, Heat-Stake, Ultrasonic Welding, Package Design

STÄUBLI

Technical Highlight 2

What we do:

Tooling Design & Fabrication

9 High Speed CNC, 7 High Precision EDM, 4 Precision Wire-Cut, Spotting Machine, Feasibility / DFM, Mold flow, ModelEx 3D, UG/Catia/ProE, Huizhou/Suzhou 400/200 Tools Annual Capacity

Technical Highlight 3

Quality & Certificates:

Quality

Xin Point and all subsidiaries are certified in accordance with ISO/TS 16949, ISO 14001 and ISO 9001

Awards

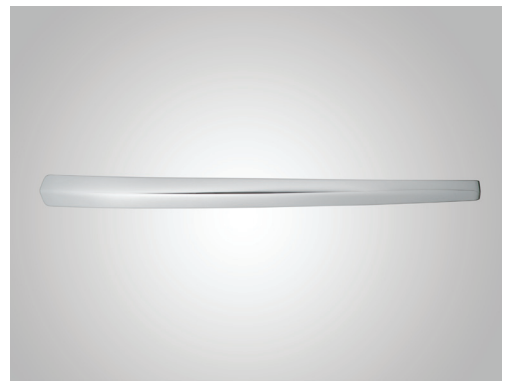

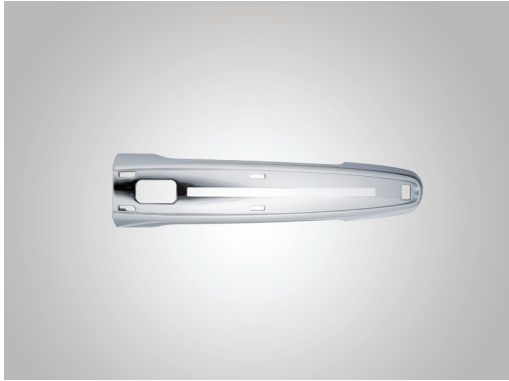

We are:

- Class A Supplier for Volkswagen.
- Awarded Supplier for GM Supplier Quality Excellence 2015.
- Approved Supplier for the OEMs: GM, Daimler, Volvo, Ford, VW/Audi, Chrysler, Honda, Renault, PSA.
- Awarded Supplier for the Tier Customers: Faurecia, JCI, Kostal, Autoliv, KSS, Ficosa, GHSP, Omron.

Laboratory

GP10 Accreditation - Shanghai GM
ISO 17025 Lab Certificate

Proven Experiences

Proven Materials

ABS:

- SABIC GE (MG37EPX)
- UMG(3001M / TM-25M)
- TECHNO(ABS25)
- CHIMEI(727/757)
- Lustran4000PG
- NovodurP2MC

PC/ABS:

- PC/ABS-SABIC GE (MC1300)
- BAYER(T45PG)
- BAYER(T65PG)
- EIJINKASEI(MK1000A)
- MITSUBISHI PL2010

PA/Nylon:

- DuPont (PA-6)
- LanxessBG30X
